

## TUFC Summer Sixes Competition overview and fee structure 2024.

The TUFC Summer Sixes is a social competition for footballers of all levels, administered by volunteers from Tuggeranong United Football Club.

All participants and team managers are expected to behave in a sporting manner appropriate to such a competition. Verbal and physical abuse is not acceptable at any time.

Grading of divisions is minimal and mostly honesty based, although teams will be placed into divisions based on the relative playing experience of the majority of the team's members (as noted on the team nomination form). When significant mismatches of playing levels occur, the Competition Co-ordinators reserve the right to regrade teams to make the competition fairer and more enjoyable for all. All teams are requested to apply a good sports approach, and perhaps consider reducing their numbers to 5 if their win is unassailable. Disputes will be heard, and a common-sense approach will be applied to keep the competition 'social'. Serious misconduct may be reported to Capital Football, under whose endorsement this competition is run.

Washouts: If possible, washed-out matches will be rescheduled as back-to-back catch-up games as soon as possible. We plan on a 2 week notice of re-playing the catch-up games.
