INTRODUCING 360PLAYER

TUFC OPERATING SYSTEM

Why we've partnered up with 360Player

Connecting everyone in and around the TUFC community

A better way for TUFC to manage payments

With 360Player

Clarity & transparency over revenue and debt. Easy to use reports

 4^{2} Maximize collection rate and use automated 'smart retries' to manage debt

Total transparency for all connected parents with the 'billing' section

Streamline communication throughout the entire club

With 360Player

1	~	5	1
4	ſ		
			L

Push notifications for the end users means no communications get missed.

Centralise all communications for an all in one experience

\ A

Parents able to monitor chats so all parties are safe.

Step 1 - Create Your Parent Account

IVIPORTANT! If your child is under the age of 18, a PARENT or GUARDIAN must complete the signup process for the child. This will include creating an account for the child who will be linked to the parent or guardian.	
Only ONE parent should create an account for a child.	
Other Parents or Guardians can connect later.	
Parents or guardians, DO NOT add yourself as a 'Player' to a group. Parents and guardians will 'follow' all children they are linked to into all groups by default.	

Players under 18 should not create their own accounts.

Step	1 PARENT	/GUARDIAN Downlo	ad 360Plaver (A	pp Store/Google Play)

- Step 2 Select 'Create Account'
- Step 3 Enter the group code See List
- Step 4 Confirm this is the correct group you want to join and press continue
- Step 5 Select 'I'm a parent to a player' and press continue
- Step 6 Fill in the details as yourself (The Parent) and press continue
- Step 7 Confirm you are a parent to a player and press continue
- Step 8 Select sign up with email
- Step 9 Fill in the email and password details, press create account
- Step 10 To create the player account, view the next page

Step 2 - Create The Player Account

Step 11 Select 'create	e a new player account'
------------------------	-------------------------

- Step 12 Enter your child's details and press continue
- Step 13
 Enter your child's email and password (this email will need to be different to your parent account email), or create a player

 account without a login
- Step 14 Select take me to my team and fill in the additional, club-specific information

It's important to involve your child in the process. If they have a mobile device, please guide them to download the app and share the login details you created for them.

If you require any support with the 360Player app, please email support@360player.com

If you have any club-based support or questions, please reach out to your team manager/coach, who will pass them on to the relevant member of staff.

Existing 360Player user | Player joining a new group or club

Step 1 Log into 360Player

- Step 2 From the homepage select the dropdown arrow
- Step 3 Select 'Join a new group or club'
- Step 4 Select the child that is joining the new group
- Step 5 Enter the correct group code

Add additional Players (once Parent 1 and Child 1 have signed up)

Step 1	Select the menu button in the bottom right corner
Step 2	Select 'Account Settings'
Step 3	Tab over to the 'my children' tab
Step 4	Scroll to the bottom and select 'Create account'
Step 5	Enter the relevant group code
Step 6	Enter the additional child's information and continue
Step 7	Decide whether you are solely managing their account or not, and then press continue
Step 8	If you are creating an email and password for your child, make sure it is different to any emails used before
Step 9	Fill in the additional information

If your child has a mobile device, it's important that they download the app and use the login details if you created them for them to access the platform.

If you require any app support when signing up to 360Player or when using the platform, please email - support@360player.com

If you require any support that is club-based, please reach out to your team manager/coach.

360 Player®

Connecting additional Parent/Guardians/Family Member Accounts

- Step 1After you have signed up Parent 1 and the child,
please navigate to the 'Menu' button on the
bottom right of the screen.
- Step 2 Select 'Account Settings'
- Step 3 Tab across at the top to the 'My children' tab
- Step 4 Select the three dots next to the player's name and then 'connect a parent to ____'
- Step 5Generate an invite link and send it to the
additional members of the family
- Step 6 Additional parent clicks on the invite link and creates their additional parent account.

Create a Player Account (Over 18)

If you are a player over 18, please follow the guidance below.

Step 1Download 360Player from the App Store/Google PlayStep 2Select 'Create Account'Step 3Enter the group code - See ListStep 4Confirm this is the correct group you are wanting to join, and press
continue.Step 5Select 'Player' and press continue.

Follow the instructions provided.

If you require any support when signing up to 360Player or when using the platform, please email - support@360player.com If you require any club-based support, please get in touch with your team manager/coach

Coach - Adding your child if they are new to 360Player

Step 1	
Step 2	Select 'Account Settings'
Step 3	Tab over to the 'my children' tab
Step 4	Scroll to the bottom and select 'Create account'
Step 5	Enter the relevant group code
Step 6	Enter the additional child's information and continue
Step 7	Decide whether you are solely managing their account or not. Press continue
Step 8	If you are creating an email and password for your child, make sure it is different to any emails used before
Step 9	Fill in the additional information on behalf of the player if necessary

If your child has a mobile device, they must download the app and use the login details you created to access the platform.

If you require any app support when signing up to 360Player or when using the platform, please email - support@360player.com

Add more children

With 360Player a legal guardian or parent can easily follow their child's development and activities.
